

Día de sol

(second version)

A shawl pattern
by
Tere Gomis

Version 2 (November 2018): revised text, added charts and written instructions made with Stitch Fiddle (www.stitchfiddle.com).

'Día de sol' is a light shawl, very easy to knit.

Materials needed

- Yarn: 500-800 meters (547-875 yards) approx. of laceweight yarn, depending on the size chosen. You might need more yarn if you want to make it bigger. The model is knitted with Greta and the Fibers Silk me Lace.
- Needles: US size 4-6 (3,5-4mm.) or whatever size you feel comfortable (gauge is not critical). Circular needles work best due to the large number of stitches.
- Markers, tapestry needle to weave ends, blocking pins (and blocking wires, if desired).
- A crochet hook, if you want to make the crochet border. I recommend to use a size smaller than your knitting needles (i.e. if you used a 4mm needle, the crochet hook could be a 2.5 or 3 mm).

The chart 1, as usual for triangular shawls, is repeated at both sides of the central stitch. Charts 2 and 3 are knitted symmetrically at both sides of the central stitch.

Only odd rows are displayed on the chart. All even rows are purled, except for the first and last 3 stitches of each row: the first is slipped as if to purl, the 2 following knitted, and the last 3 are knitted.

The orange shaded boxes indicate parts that must be repeated. The grey shaded boxes are not working stitches, so you just have to skip those.

It is highly recommended to place a marker before the central stitch, and also before each repeat of the pattern.

Stitch key

	Knit (k)
	Slip one, slip one, knit together through the back loop (ssk)
	Knit 2 together (k2tog)
	Yarn over (yo)
	Slip one, knit two together, pass over slipped stitch (left leaning decrease) (sl1, k2tog, pss0)
	Slip two stitches together, knit one, pass over slipped stitches (centered double decrease) (cdd)
	Indicates the central stitch (k in red)
	Indicates repeats
	Pick up bar between the last stitch knitted and the first in left needle, bringing the needle from front to back. Knit into the back of the stitch. (M1R)
	Pick up bar between the last stitch knitted and the first in left needle, bringing the needle from the back to the front. Knit into the front of this stitch. (M1R)

Directions

Make a garter stitch tab: cast on 3 stitches, work 6 rows in garter stitch. Do not turn work. Pick up and knit 3 stitches along the edge, pick up and knit 3 stitches at the cast on side. You will have 9 stitches on the needle.

You can see how to do it in this video made by Andrea Mowry:
<https://www.youtube.com/watch?v=gZolH0YAgYs>

First row: sl1p (slip one stitch purlwise), k2, knit Section 1, k1, knit Section 1, k3.

From here, work your way following the charts likewise: sl1p, k2, knit chart, k1, knit chart, k3.

Chart 1 is knitted only one time. Charts 2 and 3 can be knitted as many times as you wish, ending always with chart 2 before the border chart. Thus, for the smaller version you will knit chart 1, chart 2, chart 3, chart 2 and border.

If you prefer written directions, you can find them starting at page 7.

Bind off loosely after row 185, or use a elastic bind off (like this:
<http://www.interweave.com/article/knitting/a-stretchier-bind-off/>).

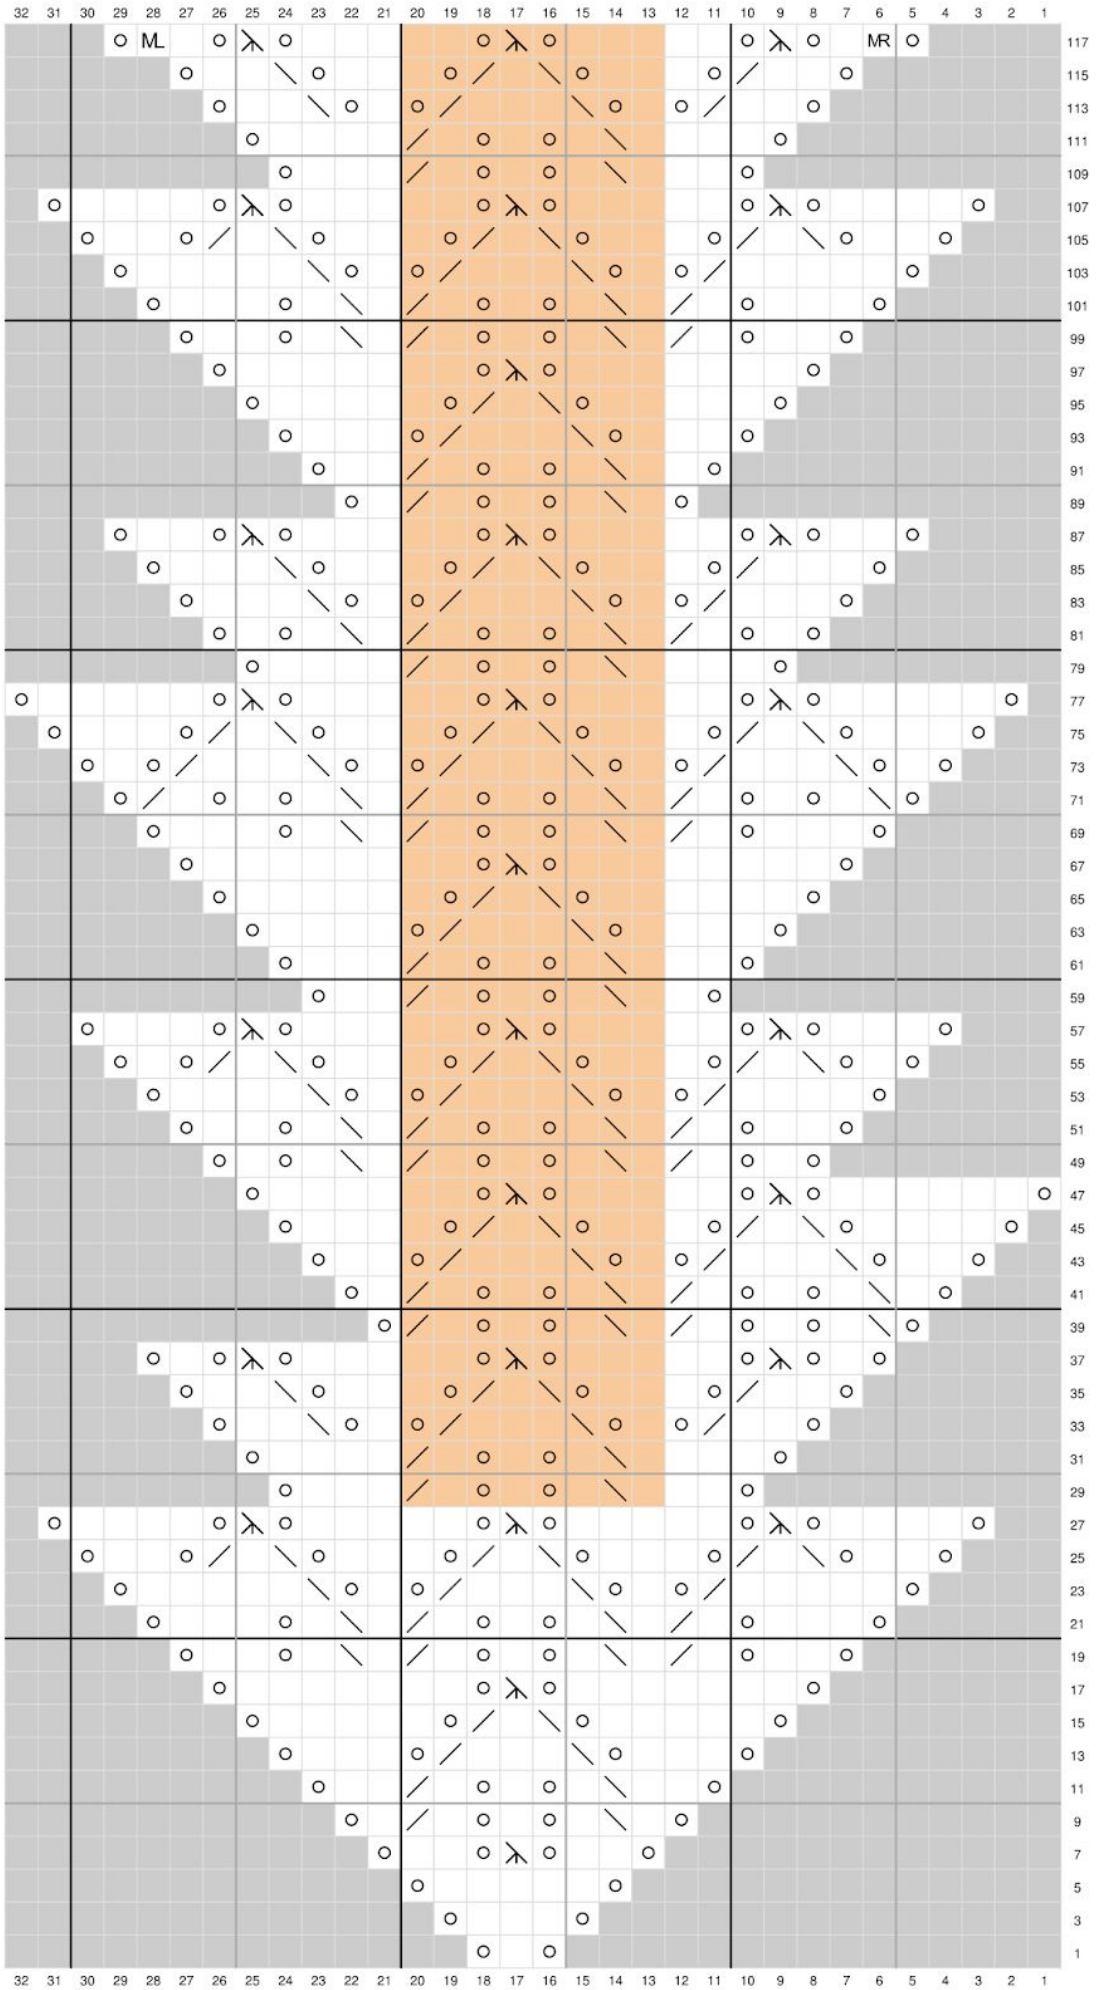

Alternatively you can make a crochet border, in the following way: insert the crochet hook through the first 3 stitches in left needle and draw up a loop. Make 6-8 chains (the number that looks nice to you). Insert the crochet hook through the following 2 stitches in left needle, draw a loop and make the same number of chains than before. Continue in the same way, inserting the hook in the stitches marked in the chart on page 6, row 187. When only 3 stitches remain insert the hook through them, draw up a loop, pull the thread and cut.

Weave the ends and block the shawl.

Happy knitting!
